## CHAIRMAN'S MESSAGE

Welcome to FCCN, where we strive to nurture future healthcare,  
leaders. Our commitment to excellence in Nursing Education,  
combined with state-of-art facilities, ensures holistic development  
and success for our students

# INTRODUCTION

Father Colombo College of Nursing is a prominent nursing college located in Fatimanagar, Telangana, India, and is managed by the Medical Educational Trust Warangal Diocese. It is named after Father Colombo, who played a crucial role in its establishment. The college offers professional nursing education with the aim of producing skilled and compassionate nursing professionals who are trained to meet the healthcare needs of the community.

# ABOUT NURSING

Nursing is a crucial healthcare profession dedicated to providing care, support, and advocacy for patients across various settings. Nurses monitor health, administer treatments, educate patients, and provide emotional support, often acting as the primary point of contact between patients and doctors. With educational pathways ranging from diplomas to advanced degrees, nursing offers diverse career opportunities, including specialties like pediatrics, critical care, and mental health etc.

## FLORENCE NIGHTINGALE

Florence Nightingale was a pioneering nurse and the founder of modern nursing. Born in 1820 in England, she revolutionized healthcare by introducing sanitation and hygiene practices in hospitals, significantly reducing mortality rates. Nightingale's work during the Crimean War (1853–1856) earned her recognition for improving hospital conditions and patient care. She also established the first formal nursing school, the Nightingale Training School, in 1860. Nightingale's contributions laid the foundation for nursing as a professional field, and her legacy continues to inspire healthcare practices worldwide.

# OUR MOTTO

WHERE KINDNESS GROWS AND COMPASSION FLOWS

# OUR MISSION

Empowering students with knowledge, skills and values to excel in nursing practice,  
research, and community service

# OUR VISION

To be a premier institution in nursing education, fostering compassionate care givers  
and innovative leaders in health care.

# GLANCE AT INFRASTRUCTURE

## Modern Classrooms

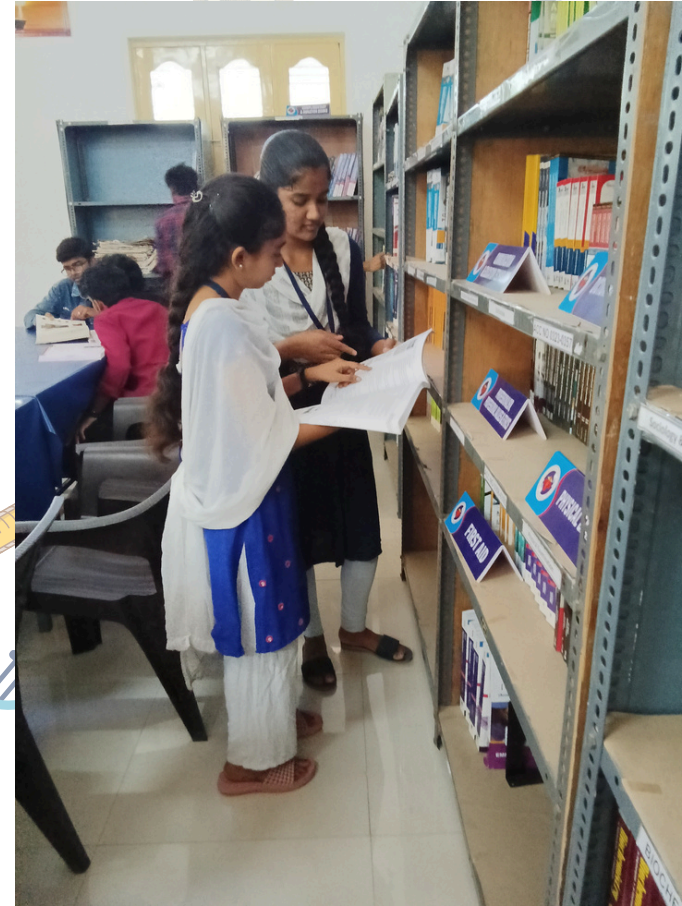

The college has well-equipped classrooms with modern teaching aids and technologies.

# OUR FACILITIES AND INFRASTRUCTURE

## Digital Library

A extensive library is available, providing a wide range of nursing books, journals, and research materials to support academic learning.

# OUR FACILITIES AND INFRASTRUCTURE

## Skill Labs

The college has state-of-the-art laboratories, including Skill Lab, Pre-clinical science lab, Nutrition lab, OBG lab, Community lab and Computer Labs, to help students to develop hands on training.

# MEDICARE HOSPITAL & DIPLOMA IN PARAMEDICALS

Medicare General Hospital serves as a dynamic learning environment for students, providing hands on experience and exposure to diverse healthcare settings.

# FATHER COLOMBO INSTITUTE OF MEDICAL & ALLIED SCIENCES
